album This Is War and the Into The Wild World Tour. Well, now is your chance to be a part of the team working every day to bring MARS to the attention world. The Hive will be accepting requests for volunteers interested in working on projects and assisting with tasks around the world!

If you are interested in becoming an official Hive volunteer, please send an email with your NAME, LOCATION, and WHY you want to be a volunteer to applytothehive@gmail.com. We will not be able to include everyone right away simply because we are a growing organization, but we have every intention of involving anyone who is committed to volunteering.

In coming days a new website will be launched at <http://thisisthehive.net> which should clear up any misunderstanding people may have about WHAT The Hive is and what The Hive is involved with in the present, past, and future. As an organic, grassroots marketing and promotion organization, we need help from fans around the world, but we need to know WHO is willing to dedicate the time and energy required for success!
